

THE OTHER SIDE

God's church is growing but it's mostly Gentiles who are being saved. God has rejected the Jews and given their place to Gentiles. But why would God do that? That's the question Paul answers for us in Romans 9:30 – 10:13

◆ What is righteousness (verse 30) and why did so many of the Jews pursue it so vigorously?

◆ How have Gentiles managed to become righteous (verse 30)?

◆ Why have the Jews failed to attain to the law of righteousness" (verses 31 – 33)?

◆ Romans 10:4 is a very important verse. Try to put it in your own words. What does it mean?
