

# Jonah

---

Everyone knows and loves the story of Jonah but did you know that Jonah's adventures happened in or around the time of Jeroboam II and that he was a prophet with a message from God for the Northern Kingdom of Israel?

- What did Jonah learn from his experiences on the sea and in the fish?
  
  
  
  
  
  
  
  
  
  
- Why do you think Jonah was grieved when God spared the people of Nineveh?
  
  
  
  
  
  
  
  
  
  
- God challenged Jonah with a question: "Is it right for you to grieve?" In what way did the plant and the worm help Jonah to think through his answer?
  
  
  
  
  
  
  
  
  
  
- What have been the times when you have grieved most?
